

Friendly Waste Management will host their 4th Annual Earth Day event Saturday, April 20th. Volunteers will gather at 8:00 a.m. at the South end of the American Legion building. Volunteers will then pick up trash in different areas of Kennett. Hot dogs, drinks, chips and t-shirts will be provided. Join Friendly Waste Management and help beautify Kennett!

In conjunction with this event, Kennett Chamber of Commerce encourages our businesses to help by tidying up commercial spaces. Small improvements can make a big impact. Here are some examples of how businesses can participate in the week leading up to the clean up event:

## Clean Up Kennett Week 2019

April 15	Assess your storefront
April 16	Pick up trash around your business
April 17	Sweep up your business' sidewalk
April 18	Trim, mow, pull weeds, around your building, parking lot, and sidewalks
April 19	Decorate your storefront/plant flowers
April 20	Join Friendly Waste Management in their Earth Day cleanup event

for more information on clean up day and how you can get involved, contact Friendly Waste Management at 573-888-1830

*\*please note that this is not a large item pickup event\**
