That investment is also a smart decision for any company doing business in Missouri's Bootheel region. The Kennett Chamber represents the interests of 300 members in a service area that includes the following five counties: Dunklin, Pemiscot, and New Madrid in Missouri, as well as Clay and Mississippi in Arkansas.

We promise to provide our members with unique business development programs, valuable resources, effective marketing and visibility opportunities, as well as business advocacy at all levels.

If you are interested in investing in the Kennett Chamber of Commerce, or learning more about how the Chamber can work for you and your business, please complete the included membership application. The form may be e-mailed, faxed, or returned to us via U.S. mail.
